From a small beginning, a bright journey began.

Among the twenty school clubs selected by the GYS team in Bapatla District, it is our privilege to be one. For this recognition, we are sincerely thankful to the GYS Team.

In our school the GYST Club was formally inaugurated by Mr. Murali Valiveti, the Chairman of GYS Organization on 18th November 2022, and it soon became a vibrant club, nurturing ideas, igniting innovation and shaping young thinkers. Through discussions, guidance and constant encouragement our students learned not just science but confidence.

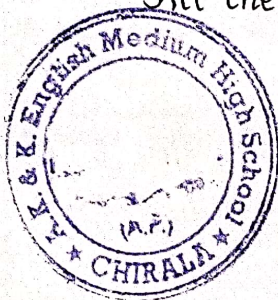

Our school students were never strangers to opportunities, always guided with care by devoted teachers, the encouraging Principal and the ever supportive Education in-charge. With this strong foundation already in place, the GYST Team stepped in as a guiding light, elaborating the path, refining ideas and preparing students to participate confidently in diverse competitions with clarity and purpose. From Science fairs to national platforms, from Avishkar Awards to Inspire Manak, from weekly trainings to global conversations, every step turned effort unto excellence.

GYST became a space where talents were discovered, ideas were brainstormed and futures were shaped. It is a place that taught our students to think deeper, aim higher and believe stronger.

GYST is not just a team,
it is a journey of Success.....

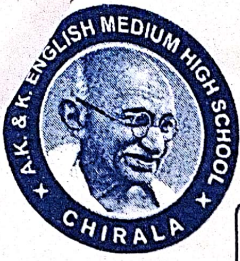

All the best to this inspiring team and
heartfelt thanks for everything.

S. Mani
